Trainers: Prof. Dr. J. Becker-Ebel PhD, Psychodrama Director DFP, Psychodrama Trainer Moreno Institute, member of IAGP and Klaus E. Harter, the Director of Moreno Institute gGmbH, member of FEPTO / IAGP and Savita Dhawan TEP (see: www.vedadrama.com)

The training will have these contents:

- a) **Magic tree and other creative work:** participating, practicing, processing and *Easy understandable methods: like: Doubling, Role Interview, Role reversal*
- b) **Sociometric start and warming up:** How to get the group in a mood to start working? What are the topics, the group like to work on now? Who will be protagonist? Why?
- c) **Monodrama** and psychodramatic **protagonist centered work** with the three aspects: inner work; relation centered work in the here and now; working with a group setting.
- d) Winding up methods after a work: **Sharing, Role-Feed-Back**
- e) In the end of each session there will be place for **processing** (explain, what was done and why...) and for any other questions, which might arise.
- f) The stable group will do the reflection of the **group processing** too.
- g) **New methods** will be (jointly) created (like magic tree work instead of magic shop).
